Details

This individual villa offers generous living spaces and a modern layout, designed for comfort and energy efficiency. The property features bright interiors, large windows, and well-proportioned rooms that create a pleasant and functional living environment. The house is arranged over multiple levels and includes a spacious living and dining area, several bedrooms, terraces, and practical storage spaces. The villa also benefits from quality finishes and energy-efficient features that ensure comfort throughout the year. On the upper level, a large terrace provides an ideal outdoor area for relaxing or entertaining, with open views over the surrounding neighborhood.

Surroundings & Facilities

Located in the Pipera area, the property benefits from a quiet residential setting in the northern part of Bucharest. The neighborhood offers easy access to international schools, restaurants, supermarkets, and major business hubs. B?neasa Shopping City, the airport, and central Bucharest are all within a short drive, making the location both convenient and well connected.
